April Minutes – accepted

Meeting Venue:

Meeting in person may become an option in the next month or so. Lesley wants our feedback on this and then run it by Liberty Town.

Will ask about meeting in the outside courtyard at Liberty town for at least the June and July meeting.

Are there any other thoughts about places to meet where we could have a bit more room?  
Where is the groups comfort level with meeting in person?

Final idea - Keep it hybrid with a sign up for those who want to attend in person – with the meeting being held outside. Outside being in the Liberty Town courtyard or at a park with a large pavilion.
